Specifications included in this datasheet are subject to change without notice. The right of final interpretation belongs to Trina Solar Co.,Ltd. STC: Irradiance 1000W/m², Cell Temperature 25°C, ...

Light Color None EAN Code 3800156694101 Dimension 2094x1038x35mm Short-Circuit Current 11.64A Rated Maximum Power 455W Open-Circuit Voltage ...

Understanding the output voltage of a 455w Mono Solar Panel is essential for anyone looking to install a solar power system. The output voltage of a solar panel can vary depending on several factors, ...

Detailed profile including pictures, certification details and manufacturer PDF.

Founded in 2008, Sunergy is a manufacturer of high-performance photovoltaic products. With 12 manufacturing bases and more than 20 branches around the world, the company's business covers ...

Please be kindly advised that PV modules should be handled and installed by qualified people who have professional skills and please carefully read the safety and installation instructions before using our ...

Remark: Electrical data in this catalog do not refer to a single module and they are not part of the offer. They only serve for comparison among different module types.

IEC 62941: 2019 Terrestrial photovoltaic (PV) modules - Quality system for PV module manufacturing

The watt (W) rating of a solar panel indicates its power output under Standard Test Conditions (STC): 1,000 watts of sunlight per square meter, 25°C cell temperature, and an air mass of 1.5. For ...

These are high quality and resistant modules, made of monocrystalline silicon with an anodized aluminum frame. Thanks to its monocrystalline silicon cells with ...
