Founded in 2002, Huijue Group is a leading Energy Storage Equipment Manufacturers, a high-tech service provider integrating intelligent network communication equipment, new energy and applications.

The 60KW to 100KW commercial AC/DC off-grid and grid-connected energy storage inverter is a high-performance product designed especially for large commercial and industrial applications.

Professional manufacturer of solar and power inverters, offering grid-tie inverters, hybrid inverters, off-grid inverters, solar batteries, solar kits, and complete solar energy storage system solutions.

Growatt can achieve energy priority utilization and increase the utilization ratio of photovoltaic energy by monitoring and controlling the integrated energy storage cabinet and photovoltaic inverter and setting ...

Huijue Group's Home Energy Storage Solution integrates advanced lithium battery technology with solar systems. Ranging from 5kWh to ...

Huijue has a senior technical team and an efficient supply chain system, and its production capacity and contract performance capabilities are fully guaranteed.

With a 20-60kW power range and 98.6% peak efficiency, this system has become the preferred choice for medium-scale solar projects across Germany, Australia, and California's agricultural hubs.

The commercial and industrial 30-60kW inverter is for medium to large-scale commercial and industrial rooftop solar systems. The unit ensures maximum ...

Wide Voltage Range: Operates efficiently within a broad 200-850V battery voltage range. LCD Display: Clear and easy-to-read status indicators for monitoring system performance. Wall-Mounted Design: ...

S5-GC (50-60)K three-phase series string inverter are suitable for the installation of three-phase input pv

Huijue inverter 60kW

system of commercial and industrial PV plants. Adopt 5/6 ...
