OverviewHistoryClimateEconomy and statusSportEducationDiplomatic missionsGalleryLaayoune or El Aai are respectively the French and Spanish transliterations of one of the possible Romanized Maghrebi Arabic names for the city: Layoun, which could mean "the springs," in reference to the oases that furnish the town's water supply. The city was founded by the Spanish captain Antonio de Oro in 1938 as a small military outpost, but quickly became the Spanish Sahara's administrative and political centre. The location was chosen for t...

The principal city is Laayoune, the old colonial capital. There is little agriculture in the region; camels, goats, and sheep are raised, and dried fish is exported to ...

Laayoune, the largest city in Western Sahara, is a unique stop for adventurous backpackers, but it's not for everyone. The vibe is a blend of North African culture and a hint of desert ruggedness, which can ...
