Much like your favorite mobile games, you can get around Second Life with one hand, using a familiar virtual joystick. Zoom and pan the camera using gestures you already know.

We're excited to share great news with the Second Life community: The Tilia Wallet payment system upgrade is now complete, bringing faster, more secure transactions and payouts!

Username Your username is both your screenname in Second Life and your login ID. Accounts created prior to June 2010 may have both a first and last name (Example: First Last), while newer accounts ...

To explore, communicate, and connect in Second Life, you'll need to download our 3D browsing software, or what we call the SL Viewer. It's not only fast and easy to download and install, but it's ...

February is almost here, and we have a lot planned for you this Valentine's season!2026 VALENTINE SHOP & HOPTThe 2026 Valentine Shop & Hop is almost here, with 280 participating ...

English - Knowledge Base

Second Life's official website. Second Life is a free 3D virtual world and original metaverse where users can create, connect, and chat with others from around the world using voice and text.

Answer I would like to receive news and special offers.

This is the official viewer for Second Life. Check release notes for more details.

We're excited to announce the 2025.03 Second Life Viewer update, and with it, a brand-new naming convention for releases: (Year.Month). This update is packed with quality of life ...
