What Is The Best Type of Storage Container Lighting?What Power of Led Lights Should Be Used Inside A Shipping container?How Many Led Lights to Properly Light A Shipping ContainerDo You Offer Led Wet Location Lighting For Shipping Containers?Because shipping containers are long, narrow, and have relatively short ceilings, we recommend a surface mount fixture. Linear strip fixtures are ideal as they will lighten up a larger area and the light will be generally more balanced. A good secondary option would be a ceiling-mounted canopy light or low bay fixture. See more on [ledlightingsupply USA Containers Lights - USA Containers See More](#) Light up your container with easy-to-install, solar-powered lighting solutions.
