I've had a few companions who have died. Is it possible to resurrect them? If not, where can they be hired from?

I'm making a map where I want players to be able to choose their kits/classes. The problem I'm having with it though is giving players already enchanted Tools/Armour/Weapons. I'm ...

how do i duplicate items in minecraft bedrock edition You can place the items you want to copy inside of a chest or other block that can hold items. Then, use the "Pick Block" keybind while ...

I want to summon a TNT block that will cause damage to mobs. However, I don't want it to damage or break blocks. Is there any way that I can do this?

Song That Might Play When You Fight Sans is a red herring The song in question is exclusive to the soundtrack. The song appears nowhere within the game itself, and is intended to ...

Serana is a little buggy as a follower. This can be used to your advantage, however, if you would like more than one NPC follower. There are points during the Dawnguard quest line where she ...

Is there a way to play Minecraft with only a keyboard? When I have free time I'm usually on my laptop. While I do have a mouse I can dig out, there's no surface to use it on. The touchpad is ...

Yesterday I found a second power armor and figured I should try to get my follower to wear it. She was more than happy to get into the armor, but I can't seem to get her to leave the ...

My bro-in-law had a game that we played on Windows 95 (I'm pretty sure). It was a Space 3D shooter, with cutscenes (not FMV) of some wonderfully crudely-rendered human type people. It ...

# Tuvalu supercapacitor module manufacturer

On a creative mode server I play on, there are custom barrels players can use that when placed already have some items in them. I believe this is done with modifying NBT data. How can I ...
