Which company is the EMS provider for China Telecom base stations

overviewNetwork equipment suppliers in ChinaOnline and mobile gamingAs of 2009, the telecom operators in China are exclusively Chinese: two fixed-line operators with nationwide licenses - China Telecom and China Unicom, three mobile carriers - China Telecom (CDMA and CDMA2000), China Mobile (GSM and TD-SCDMA) and China Unicom (GSM and WCDMA). The State has control and majority ownership of all of them. Most of them are financed in Hong Kong. o China Telecom is one of the largest telecommunication SOEs in China, including 31 semi-autonomou...
